4th Annual Canada2020 Conference

Gina --

I wanted to make sure you saw the email we sent a little over a week ago announcing the [4th Annual Canada 2020 Conference](#) happening June 14 - 16 in Ottawa.

Early bird deals end next Friday so [be sure to pick up your pass today.](#)

Also, for those coming from out of town, Canada 2020 has arranged special hotel and travel rates which [you can read more about here.](#)

We can't wait to announce the full agenda - this year's conference is shaping up to one of our best and biggest yet.

You won't want to miss it --

Émilie Montour

#TrueProgress

Gina -

The **4th Annual Canada 2020 Conference** will be June 14 - 16, 2017 in Ottawa.

We wanted to let you know that **early-bird registration** is now open at canada2020conference.com

More Information

Our marquee event, the Canada 2020 Conference is the place to be for smart, inspiring and forward-looking conversation about Canada's future.

This year, we will hear from world-class speakers on topics such as:

- A.I., Automation, and the Future of Work
- Supporting Entrepreneurs
- The State of the Media
- Women in the Economy
- Open Government & Dialogue
- Canada and the World
- Diversity, Inclusion & Open Societies

Keynotes, panels and more information will be announced over the coming weeks.

To keep up to date, and to purchase your early-bird ticket TODAY, visit canada2020conference.com
